

Mastering the Art of Mixology

3 & 4 Nov 2026 | RM2,000/pax

HRD Corp Prog
No 10001711285

The beverage industry plays a significant role in hospitality and F&B revenue, typically with alcoholic beverages alone contributing between 25% to 40% of total restaurant sales. Cocktails, in particular, boast high profit margins ranging from 60% to 80%, making mixology not just a craft but a key driver of profitability in bars and restaurants.

Mastering the fundamentals of mixology is more than just learning to make drinks, it's about understanding flavor dynamics, maximizing profitability, and delivering exceptional guest experiences. This program blends theoretical knowledge with hands-on practice to equip participants with essential skills in crafting balanced, creative, and visually stunning beverages. Whether you're an aspiring bartender, a seasoned service professional, or a business owner looking to enhance your drink offerings, this course provides the foundation needed to excel in mixology and beverage service.
